Dear Dr, Limbaco:

First off, we wish to greet you best wishes on your new assignment at the helm of the education sector in Cagayan de Oro City. The division has many exemplar schools, and we are sure you will find them worth your management and direction skills. We shall keep your watch very much in mind! We are inviting five (5) Grades 9 and 11 students and two (2) teacher moderators from each of the schools who attended the opening session this current school year coordinated through Mr. Jairus John Gochuco.

This is to request for authorization to enable students from public high schools to attend a one morning cum lunch evaluation and planning session on the *Campaign for Character Education Tenacity (CACHET)* program of Alalay sa Pamilya at Bayan Foundation (APB), in partnership with the University of Asia and the Pacific. We wish to schedule this for Wednesday, the 11<sup>th</sup> of December, from 8:00 a.m. to 1:00 pm, inclusive of lunch, at the Xavier Estate.

It would perhaps be noted that CACHET has been an ongoing program for the past five years, providing the wherewithal to help students make good and responsible decisions in key aspects of their lives: home and family life; friendships and social responsibility; studies and career; and teenage lifestyle and life of faith.

The session will be preceded by some team building exercises; followed by a talk and a meta-card session on adolescent concerns and challenges; and culminating in a planning exercise for the second semester onto the next school year.

No fees will be charged. APB shall underwrite all expenses related to the seminar. The only responsibility of the school includes the selection of delegates and shuttling them to and from the venue.

We hope you will find this request worth your positive consideration. The city has been a formidable partner of CACHET in helping provide the spearhead for character building among students and teachers in the division.

For more details, may we request you to please call Marievic Maala at 6320103 or 09175026612 or email her at [marievicmaala@gmail.com](mailto:marievicmaala@gmail.com)

Very truly yours,
