Dear Maam Limbaco,

Greetings from DICT!

Thank you for all your support for our invitation to the DEV4DEV. However, it is with great disappointment that we announce the **postponement** of the four-day **MOBILE APPLICATION WORKSHOP** for Grade 8 kids originally scheduled for February 13-16 and two-day **LEAD LEARNER WORKSHOP** scheduled for February 15-16, 2020 at Dahilayan Forest Park, Bukidnon. This is to heed the World Health Organization's global advisory to avoid airports and large congregations in light of the coronavirus outbreak.

We understand that preparations have already been made on your end to be there for the event. Everyone's safety and well-being is our first priority, and we ask for your understanding as we join the global community in preventing the further spread of this disease. We apologize for the inconvenience this situation may bring.

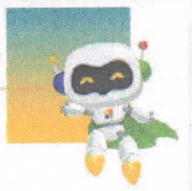

We are working to firm up new dates for the camp. We will notify your office as soon as new schedule is set by the organizer and please rest assured that we will reschedule at the earliest possible time. We look forward to our continued partnership and we hope to see you then.

Should you have any other questions or concerns, please feel free to reach Nideliza Nacilla at nideliza.nacilla@dict.gov.ph or text at 09175934605.

With regrets and thanks for your understanding,

Truly Yours,
