Letter Request for Smart Lecture Conference

*Cherry Mae Limbaco-Reyes,
Schools Division Superintendent
Division of Cagayan de Oro City*

We, e-Education, Keirinkan, Suken, KJS and DCS who are conducting an education project with Japan International Cooperation Agency (JICA) in the Philippines would like to request your kind support at the Smart Lecture Conference on October 18th, 2022.

[Purpose of this letter]

Request to conduct the Smart Lecture conference at VIP hotel on October 18th 2022.

(Request for Presenters/Resource Speakers/Messages)

1. Cherry Mae Limbaco-Reyes, Schools Division Superintendent Division of Cagayan de Oro City
2. Romeo B. Aclo- Project Partner/consultant and CDO Local partner in Corporate Social Responsibility
3. Jerico Valdueza- Teacher , Regional Science High School-recipient/Partner Pilot School

[Outline of the Project]

Project Name:

JICA Verification Survey with the Private Sector for Disseminating Japanese Technologies for the use of Smart Lecture, which is a hybrid learning material with paper-based textbook and video-based lecture to improve students' math performance.

Project Period:

- October 2018 to March 2023

Purpose:

- Improve mathematical skills which are foundation of industrial human resource
- Implement the learning material "Smart Lecture" into pilot schools to localize and introduce it to public and private schools
- Conduct conferences for teachers to discuss math using the textbook so that they can understand math topics clearly and teach their students effectively.

Partners:

- **Japan International Cooperation Agency (JICA)**
- **Keirinkan Co. :** No.1 textbook share in Japan with 70 years experience in the field
- **Suken:** The Mathematics Certification Institute of Japan, assessing mathematics skills by providing evaluation tests
- **KJS Company LTD. :** Education ICT company in Japan which provides learning management system
- **Development Creating Service. :** Consulting company for Japanese company to expand the projects overseas
- **NGO E-education:** Japanese NPO which provides video education to the world. 10 year experience in the field and in the Philippines

[Introduction of Contents]

- **Smart Lecture:**

Smart Lecture is a hybrid learning material in math with paper-based textbook and video-based explanations in both English and Visaya. All contents are exactly the same as the Japanese math textbook and are arranged to match the Philippines curriculum. The problems are well conceived and give an insight into the math education in Japan. The problems are carefully selected with clear and concise explanations.

[Outline of Conference]

The contents are under construction; however, the basic image of the seminar is as follows:

- **Date:** October 18th, 2022 for whole day
- **Object:** To explain the result of verification survey of Smart Lecture, which is a hybrid learning material with paper-based textbook and video-based explanations, and share the benefit of using Smart Lecture with the participants
- **Participants:** 10 principals, 10 Division Officials/Supervisors and 20 mathematics teachers (Total: 40) and 10 teachers from private schools.
- **Agenda:**
 - o Opening Ceremony
 - o Presentation from pilot School
 - o Demo lesson using Smart Lecture from Suken
 - o Closing Ceremony

[Request for Cooperation and Collaboration]

Tentative ideas are as below. The details shall be discussed at the meeting with DepEd.
