Dear Dr. Bayocot,

May we once again request for your endorsement in inviting senior high school students in Cagayan de Oro and Misamis Oriental for our Manresa Days Celebration this September 4-7, 2019.

Manresa Days is an annual celebration of the Xavier University College of Agriculture. For this year, we have prepared three learning sessions for senior high school students and teacher on September 5-6, 8:00-11:00 am at Manresa Farm. These are:

- Mushroom production
- Butterfly gardening and establishment
- Ice cream and pastry making

The farm will also be open for a free tour for the teacher and students on the same dates.

We assure you that the students will be able to attain valuable learning during these sessions.

Our staff, Ms Lorena Jubilan will contact your office to follow this request. You may also contact us at (088) 853 9800 loc 9301 for any clarification.

We hope once again for a positive response.

Sincerely,

**Veneranda T. Larroza**  
Assistant Dean, XUCA
