Dear Madam:

As we celebrate **“National Children’s Month and Filipino Values Month”**, Paglaum Shows & Events in cooperation with TOFARM Film Festival, Groundhit Entertainment Production and Regis Films and Entertainment present for special screenings three inspiring films:

**“PITONG KABANG PALAY”** – On the rice fields of Isabela, the Dela Cruz family lives a simple frugal life, devoid of electricity or any luxury, making ends meet by planting rice and gathering what the season offers. The young Balong dreams of graduating and helping his parents, as he and his siblings witness the daily struggles their parents experience. As his mother Deling and his father Jaime try to find ways to feed the family while supporting their studies, Balong and his brother lito try to compensate by studying hard and earning honors at school. Dreaming of a better life, Balong counts the sacks of rice they have left, the money they need, and the little moments that led to an inevitable departure that will leave them all affected.

**“New Generation Heroes”** – Four stories of dedication, strength of character; love of family, value formation, rights to proper education, giving importance to teachers and people who dedicate themselves in teaching... these four are the New Generation Heroes. The film stars Aiko Melendez, Anita Linda, Jao Mapa, Joyce Penas Pilarsky, Dexter Doria, Debraliz Valasote, Gloria Sevilla and many more

The film will focus on the life of the four individuals who will face various challenges and struggles in life, how they will show stability that will balance their characters and how they will make a decision on each test that will be reflected on how they develop the time and the lessons they learned in their lives. In spite of their being ordinary people. They can also be called the New Generation Heroes.

**“TATLONG BIBE”** - Tells the story of three friends bound by a common tie – love for family. It is a tale that makes us realize that the mundane things out there should be savored and be thankful for. Oftentimes, when we pray, we ask to achieve things and when everything is okay, we tend to forget the one up there. MIRACLES happen every day, it’s just that we tend to overlook it because we get so caught up in our mistakes and our failures.

The objectives of the films are the following:

1. emphasize the importance of love for family-it's a testament that no family is ever perfect but despite it we strive to make things better;
2. to make the students, teachers and parents FEEL GOOD and be THANKFUL about life.
3. appreciate the little MIRACLES despite all the negativity happening in our world.
4. educate the Filipino youth to contribute to a better and productive Philippines.
5. show the importance of pursuing education and increase awareness among students on the relevant issues tackled in the film (i.e. finishing school and bullying)
6. deepen their appreciation of the independent films as a means to inspire and create a positive change in one's mindset and a great tool for educational entertainment / enrichment; and
7. present a wholesome, family-oriented entertainment that will truly inspire, inspire and inspire students

In this regard, we would like to invite your students to watch the films. The films will be shown in CINEMAS & GYMNASIUMS. For bookings and inquiries, please text or call : Mr. Francis - 09151447933 / (032) 4213209.
