Dear Sir:

Greetings from **Pinoy Robot Games!**

The Ateneo de Davao University in partnership with Pinoy Robot Games are happy to inform you that we will be conducting **RoboFest** (Robotics Festival) on **April 12, 2019** at the AdDU campus as part of the pioneering celebration of **Innovation Month** this coming April. The event envisions to showcase the capability of young scientists and engineers in the field of robotics.

Since 2007, **Pinoy Robot Games** regularly conducts robotics competitions nationwide and continues to successfully train and produce winners in various international competitions. Winner in a game will have the chance to compete in the Robot Challenge in China.

In line with this, we would like to invite your school to participate and compete in the **SumoBot** and **LineTracing** games. RIM & Innovation Seminar for Teachers will also be provided. For more information about the event and game rules, please visit:
