1. A team from Canada headed by Dr. Murray Nickel will visit our City from February 27- March 1, 2019 to observe and learn from our experiences on the implementation of food security programs, environmental activities and health and nutrition promotions both at the Department of Education and the community as well. The visit of these international partners is also aimed towards learning the concept of the Asset-based Community Development Approach (ABCD Approach) which would be shared by the proponent of this approach from Xavier University. All these learning visit is envisioned towards better exchanges of knowledge in the future between participating countries.
2. Relative to the visit of Dr. Murray Nickel and company in our city, you are hereby directed to facilitate the visit of the above mentioned visitors with the activities and functions assigned to you. Please refer to the activities in the itinerary as attached herein.
3. To the School Heads, kindly inform your program coordinators to prepare the documentations and let them be present during the visit.
4. For your information, guidance and compliance.
