Dear Dr. De La Peña,

Greetings!

This is a heart wrenching for Dr. Jose P. Rizal said, "*The Youth is the Hope of our Nation*". Every youth is a bedazzling beacon of hope and a torch that holds a light for a better, sustainable future. Establishment of POPDEV Clubs in each of the school envisioned to sustain student's participation and awareness on Population and its interrelationship with other socio-economic issues. Thus, the City Government of Cagayan de Oro through the Community Improvement Division-Oro Youth Center will conduct **POPDEV Club forum** to all **POPDEV Club Presidents** together with their **POPDEV Club Moderator**.

The objective of this activity is to heighten awareness among the adolescents on the prevailing issues which confront them, provide avenue by which adolescent can on their own express their outlooks in addressing their concerns, to bring them into realization that the best way to better prepare themselves for their future is to be aware of the implications on the decisions and actions that they plan and lastly develop the leadership potentials inherent in each of the adolescents.

In line with this, we would like to invite the POPDEV Club Presidents of the 47 Public Secondary High Schools together with their POPDEV Club Moderators and Mr. Romeo Aclo to the abovementioned activity which will be on March 5, 2019, 9am at Country Village Hotel, Carmen, Cag. De Oro City.
