Dear Chief SGOD Rosalio, Ms. Loquillano, and Mr. Eugenio:

Good day!

Over the years, the Ayala group of companies through Ayala Foundation has been coming together to support DepEd's Brigada Eskwela. Known as *Brigadang Ayala*, our annual week-long participation in the National Schools Maintenance Program strengthens the synergy between the Ayala group and its partners so we can continue fulfilling our commitment to supporting the Philippine education system. Last year, Brigadang Ayala reached a significant milestone as 5,669 volunteers were mobilized to repaint classrooms and provide support in over 100 schools nationwide.

As Ayala celebrates its 185th anniversary this year, Brigadang Ayala aims to reach 185 schools, understanding their needs and identifying suitable ways to provide assistance. We recognize that to achieve this goal, a strong partnership with the Department of Education would be instrumental. We reached out to DepEd Partnerships and Linkages office and we were given your contact information so that we may coordinate with you.

As such, we would like to request your support in gathering information about the schools in areas where Ayala is present by **requesting a copy of the most recent BE Form 1. Brigada Eskwela Physical Facilities Needs Assessment Form** (see attached) of **5 SCHOOLS IN CDO** that are in most need of support.

We request that the BE Form 1 of the schools be emailed to us on or before March 8, 2019, Friday.

In turn, we will consolidate this information and create a list of schools for our participating business units to refer to. Through this list, they will be better able to identify which schools they can support in the most suitable ways. **Please note that only schools that are chosen by the business units will be contacted to plan for the**

engagement this year.

Should you have any questions or require further information, please contact me, Ms. Patricia Uy, at 09177902432 or feliciano.pm@ayalafoundation.org.

We look forward to a meaningful partnership with you for Brigadang Ayala 2019!

As One We Can,

Patricia Feliciano Uy
Brigadang Ayala Project Lead
