

Division Memorandum No. 211, s. 2019

APPROVED RESEARCH PROPOSALS FOR BERF 2019

To: All 2019 Basic Education Research Fund (BERF) Proponents with their School Research Coordinator

1. The Schools Division Research Committee (SDRC) in partnership with Cagayan de Oro City National High School-Senior High School has successfully conducted the "**Research Design Hearing and Presentation**" for BERF 2019 (proposal defense) last March 5, 2019. This is in support to the division's goal in strengthening the culture of research and improving support mechanisms such as funding and capacity building to research enthusiasts.
2. With the rigorous process undertaken which include the call for proposals submission, initial screening, committee evaluation, approval and grant of funds for research proposals, this office sincerely congratulates the following proponents:

Approved for implementation *with* BERF Grant

Division-based level proponents

Bayeta, R., Camonas, P., Gomez, V.

4. Moreover, proposals without BERF grant are encourage to resubmit for funding in the next cycle of call for research proposals. However, you may proceed in the implementation stage even without funding. The secretariat is willing to provide technical assistance at every stage in the research process.
5. The following are important reminders in your submission of final copies of proposals, to wit: (1) use short paper folder in white color with fastener on the side for the manuscripts; (2) secure all the required signatories in all attachments particularly the annexes 1-3,; (3) accomplish important parts of the proposals such as table of contents, plans for dissemination or advocacy, action plan, Gantt Chart, cost estimates, research instruments, tools or questionnaires, and (4) use the prescribe format for title page and cover page.
6. Please see attached page. School Research Coordinators (SRC) are requested to assist their respective proponents in the preparation of final copies of proposals and their prompt submission. For your guidance and compliance.
