Dear **Superintendent dela Peña**,

Greetings in peace and goodwill!

Over the years, the Neglected Tropical Diseases (NTDs) in the Philippines have become primary public health problem as they continuously affect people, mostly, the poorest section of the society. One of the most effective strategy of control of NTDs is the Mass Drug Administration particularly on Schistosomiasis, Intestinal Helminths and Filariasis.

In line with this, the Department of Health Center for Health Development – Northern Mindanao (DOH CHD-NM) will be conducting a **Harmonized Schedule and Combined Mass Drug Administration (HSCMDA) Consultative Meeting and Planning Workshop** on **May 16-17, 2019 in Pearlmont Hotel, Cagayan de Oro City**.

Thus, may we invite **Ms. Isabel Chavez, Ms. Michelle Pabelic and Cristina Capistrano** to the said activity.

Meals and snacks shall be provided by DOH CHD-NM while travelling expenses and per diem one day before and one day after the activity shall be charged by sending agency. Please also be informed that program starts at 9:00 o'clock in the morning.

For more queries, please contact Ma. Rachel D. Escatron 09063341088 and Ms. Joanna Hugo 09176291551 of the Vector Borne Disease Section of DOH CHDNM.

Thank you for your continued support to all these collaborative endeavours. God bless us all!

Very truly yours,

ADRIANO P. SUBA-AN, RMT, MD, MPH, MCHM, CESO IV
