RE: 2019 LAUNCHING OF LEARNING RESOURCES
May 17, 2019, SM City Uptown CDO

The BERF Grant Program provides funding for teams who are conducting thorough and in-depth basic and action research. Our goal as researching community is to provide technical assistance defined by excellence, integrity and openness. Proponent(s) deserve nothing less and we make every effort in our planning to execute thorough evaluation, start to finish in the completion of the project. *Schools Division Research Committee* (SDRC) value the hard work and dedication of our researchers, so we are very happy to recognize their completed projects on May 17, 2019 (1:00PM) during the "Launching of Learning Resources" at SM City Uptown, Cagayan de Oro City.

Meanwhile, DepEd CDO promotes publications aside from presentation. Publication show that a researcher has been actively involved in research, and that he or she is capable of publishing the results successfully. A total of eight (8) completed research published in the CDO Basic Education Research Journal with ISSN 2545-9589 Volume 3, Issue no. 2 will be awarded on this occasion.

In view of this, all concerned researchers and publication authors are advised to attend the said event. It is expected that you come in smart professional/corporate attire. Moreover, you are to submit a certificate holder (letter/A4 size) to the SGOD Office-Planning and Research Section on or before May 17, 2019.

Enclosed are the official participants on the aforesaid activity. For your guidance and compliance.
