Fr. Masterson Avenue, Upper Balulang, Cagayan de Oro City,

Dear Dr. Potane:

Warmest wishes for your invaluable work and greetings to your family!

Per our communication with the office of the regional director, Dr. Arturo B. Bayucot, we wish to confirm the launching session of this school year's Campaign for Character Education Tenacity (CACHET) of Alalay sa Pamilya at Bayan and I Am STRONG – I Keep Love Real program of the University of Asia and the Pacific, which we propose be scheduled for 19 to 21 July, at Mountain Pines in Bukidnon. We suggest that the participants be officers of the Supreme Student Government and ESP Club Officers of the public high schools of the region and their teacher moderators.

It will be remembered that CACHET has been in direct contact with public high schools of the region for the past five years, and in other capacities, even before that, with activities taking place in Mountain Pines or Xavier Estate. Our experience with the students and teachers has been most enriching, and we would like to sustain this with the blessing of the region. Ordinarily, there are assembly activities and separate workshop forums for students and teachers, respectively.

The aim of the session is to enable mid-adolescents to make good and responsible day-to-day decisions on key aspects of their lives: home and family; friends and social responsibility; studies and career; courtships and relationships; and life of faith. The pedagogical mediums of the launching would include a) orientation series on the basics and nuances of a personal and school campaign for character education tenacity; b) forums and workshops on leadership and teenage lifestyle; c) strategic planning on character build-up by school or school cluster; and d) literary musical competitions on the themes of CACHET ... interspersed with team building games and exercises. Check-in would be lunch-time on the 19th of July; and check out, after breakfast of the 21st.

We shall request a faculty member of Rosevale School to thresh out details with your office.

As in the past, there will be no expense on the part of the schools involved except for the service that will shuttle the students from their points of origin and back.

We hope you will find this undertaking worth your confidence and support. We wish to take advantage of this opportunity to invite you to join us on these days.

For more details, please call Ms. Marievic Maala at 09175026612 or (02) 6320103.

Warmest personal regards, and all the best to your concerns for the good of education in the region.
