3. Please mount your poster at the beginning of the conference (8:00AM) and in the designated area.
4. We will be giving each poster presenter a chance to provide a "**Speed Talk**" about their research and findings. Speed talks are to be between 3 and 5 minutes. See conference program for time and venue.
5. **Take Down** - Posters may remain up in the Exhibit Hall/Covered Court throughout the duration of the conference. However, posters must be removed from the Exhibit Hall no later than 4:30 PM on October 1, 2019. Poster not removed will be removed and placed at the registration desk. Posters not picked up will be disposed of at the conclusion of the conference.
6. Smart casual attire will do, but formal attire would be better.
7. Some of the poster presenters are required to present in oral category at the Session E (plenary hall, SHS campus). Papers in this session (E) will go through evaluation from invited reviewers for further improvement of the papers. Hence, you are advised to prepare a 10-minute presentation orally using 15-20 slide deck.

Competence. Dedication. Optimism.
