Dear BTI participant,

This email is sent only to the participants of the BTI Training last year.

You will recall that during the training, we agreed to help the Philippine Pediatric Society in their survey on ENDS/ENNDS use. Specifically, we will help in disseminating information about/facilitating the survey to target learners in selected schools.

Here is the link to the survey, exclusively shared to you, as a BTI participant: <http://bit.ly/depedppsecigsurvey>

Feel free to strategize how you can best reach as many students as possible within the time frame that the online form is open. Just make sure that only our learners who will fill-out the survey will have access to it.

We also clarify that this does not necessarily have to be an extra item in your schedules. If you have scheduled school visits, pwede pong isabay na lang. :)

Please let me know if you have any concerns, or if there's anything else that I can help you with.

Thank you very much for your commitment for the health of our learners. Keep safe against COVID-19!

Best,

GIAN ERIK M. ADAO

OUA MEMO 08-0220-0631

MEMORANDUM

29 January 2020

For: **Regional Directors**
BARMM Minister for Basic, Higher, and Technical Education
Schools Division Superintendents

Subject: **CONDUCT OF BASELINE SURVEY ON ENDS/ENNDS USE**

The Bureau of Learner Support Services-School Health Division (BLSS-SHD) facilitated consultative workshops on regulating Electronic Nicotine Delivery Systems (ENDS) and Electronic Nicotine Delivery Systems (ENNDS)—popularly known as e-cigarettes or vapes—during the Brief Tobacco Intervention (BTI) Training, held on October 23-26, 2019 (Batch 1), and November 6-9, 2019 (Batch 2).

One of the agreements made during the workshops was the necessity to conduct a baseline survey on the determinants of e-cigarette use among learners, for which the assistance of the participants of the BTI Training (Batches 1 and 2) will be sought. The said survey will be conducted by the Philippine Pediatric Society (PPS), in coordination with BLSS-SHD.

In this regard, the participants of the BTI Training (Batches 1 and 2) whose names appear in the list attached to this memorandum are enjoined to facilitate the said survey to the target learners in selected schools in their respective regions/schools divisions.

The BTI Training participants are given the freedom to identify how many and in which schools to facilitate the survey, considering their respective workloads and schedules. They are also entrusted to strategize on how to effectively coordinate with the concerned schools to ensure the proper facilitation of the survey among the target respondents (Grades 7, 8, and 9). The survey shall be facilitated to at least 20 learners—may be more—per grade level per school. The respondents shall be randomly selected.

The link to the said survey will be e-mailed to the BTI Training participants through the addresses they provided during the training. Participants who will not receive the link to the survey are advised to contact Mr. Gian Erik Adao, Education Program Specialist II, BLSS-SHD, through e-mail at gian.adao@deped.gov.ph.
