Dear Dr. Limbaco,

Greetings of peace from SaferKidsPH!

Online sexual abuse and exploitation of children (OSAEC) is an appalling form of violence against the most vulnerable sector of the population and a transnational issue that affects children from all over the world. To counter this, the Australian Government, in partnership with the consortium of UNICEF, Save the Children Philippines, and the Asia Foundation, will implement the SaferKidsPH program, to protect Filipino children from online sexual abuse and exploitation. It supports the Philippine Government, communities and schools in countering online sexual abuse and exploitation of children. Likewise, SaferKidsPH partners with private sector to promote innovative and sustainable ways to keep children safe online.

The issue on OSAEC requires holistic community support. As a key stakeholder in the community, your contribution to the efforts to develop solutions towards this issue is highly needed. In this light, the Consortium would like to invite your presence and the following persons below on the Baseline Study Presentation on OSAEC in Iligan and Cagayan de Oro City on **March 13, 2020** in **Cagayan de Oro City**, final venue to be announced.

1. Dr. Jean Loquillano – Child Protection Focal, Division of Cagayan de Oro City
2. Mr. Dante G. Sisto- Principal, Sacred Heart Village Elementary School
3. Angel May C. Domingo- Student, Sacred Heart Village Elementary School
4. Mr. Candolyn Quilit- Principal, Pedro N. Roa Integrated School
5. Kate Agatha Reyes- Student, Pedro N. Roa Integrated School

This activity aims to validate the results of the baseline study and will serve as a jumpstart for collaboration among relevant agencies in working towards keeping children safe online.
