MTAP (JHS)

OPERATING GUIDELINES

MMC Document No. 2

I. SCHOOL LEVEL

1. It is recommended that schools conduct their own mini-competition using a written exam by grade level to determine the best candidates who will join the MMC elimination rounds.
2. The top three students per grade level who will obtain the highest scores will represent the school in the Elimination Round.
Note: The elimination round is open to ALL interested schools, both private and public. It is suggested that school districts should not conduct their own elimination to choose contestants for the whole district. This is to give each school equal chances of joining.
3. There shall be a maximum of (18) pupils for Elementary and/or (12) students for Junior High School in every participating school, broken down as follows.

Example:		School A (Grades 1-6)					
Grade		1	2	3	4	5	6
Number of Pupils		3	3	3	3	3	3
Total		18					

Example:		School A (Grades 7-10)			
Grade/Level		7	8	9	10
Number of Pupils		3	3	3	3
Total		12			

Note: Only **three (3)** students per grade level shall represent each school, for both public and private. This includes schools with multiple curricula (e.g regular, science or SPED) but is assigned under one school ID only. **ONE SCHOOL ID = 3 STUDENTS PER GRADE LEVEL ONLY**

4. **ALL public and private schools** must accomplish an online registration (MMC Form No. 1) via the MMC portal: <http://metrobankmathchallenge.com> on or before **October 15, 2019**. Only schools located in far flung areas from the pre-identified Division Offices have the option to manually submit a hard copy MMC Form No. 1 to their respective Division Math Supervisors on or before **September 16, 2019**. Other schools that have internet access from the select divisions should still register online. For the complete schools registration guidelines and instructions, please refer to **MMC Document No. 4: Instruction Guide for ONLINE MMC Form No. 1**.
5. The school contestants and their respective coaches must present the **printed copy of online MMC form No. 1 (email confirmation)** to the registration in-charge together with their identification cards during the Elimination Round on **January 16, 2020** (Elementary) or **January 17, 2020** (Junior High School). This serves as permit in joining the competition. **"No permit, No Entry"** policy shall be implemented.
6. The DepEd Division Math Supervisors shall assign the testing centers of the participating schools (**MMC Form No. 2**) **ONLINE** through the **MMC online portal** using this web address <http://onlineportal.metrobankmathchallenge.com> on or before **October 31, 2019**.

Instructions are in **MMC Document No. 6: Guidelines for MMC Form No. 2 or Tagging of Testing Centers**. Failure to submit may be a ground for disqualification of the Division in conducting the elimination round, which is scheduled on **January 16 and 17, 2020**.

7. DepEd Division Math Supervisors' access on the MMC online portal and **MMC Document No. 5** will be available on **September 09, 2019**. The document will be sent to the Division Math Supervisor via email.

II. ELIMINATION ROUNDS

8. The DepEd Division Math Supervisor shall be in-charge of the preparation, implementation and documentation of the Elimination Rounds competition. He/she will also be responsible for settling all questions, including protests, which may arise in the course of the competition, or a panel of advisers may be formed by the Schools Division Superintendent.
9. The test materials shall be prepared by the MMC secretariat and transmitted through the pre-assigned Metrobank branch for each Division. The pre-assignment and matching will be done by Metrobank Foundation.
10. In case there is no Metrobank branch in the area, the test materials shall be delivered directly to the DepEd Division Office/s addressed to the Schools Division Superintendent.
11. The concerned Branch Manager or Schools Division Superintendent shall turn over the test materials personally to the Division Math Supervisor on **January 15, 2020**. For big division offices such as Batangas, Laguna and Bukidnon and the like, the Division Math Supervisor may personally claim the test materials on **January 14, 2020**. In NO instance shall the test materials be released earlier than **January 14, 2020**.
12. The Division Math Supervisor shall then turn over the test materials to the Testing Center Coordinators on the same dates. A certification on top of the package which contains the questionnaires will be signed by the Metrobank Branch Manager or Schools Division Superintendent, the Division Math Supervisor, and the Testing Center Coordinator to document the said turnover of test questionnaires.
13. A Division may have one or more testing centers depending on the distance between the schools, the size of the Division and the number of participating schools. It will be feasible to have one center per District for the elementary category. For the Junior High School category, a cluster of towns may have one center. A cluster of City Divisions with very few Secondary schools may also have just one center. Likewise, **it is not allowed to conduct the elimination rounds per school.**
Example: Suppose Division A has 20 participating schools. Then, there will be 20 x 3 or 60 students/grade level or a total of 360 pupils from Grades 1 to 6 who will take the test in the Center. If those 20 schools are very far from each other, the Division may have more than one center for them.
14. The test materials will be opened publicly by the Testing Center Coordinator just before the start of the competition at **9:00 a.m.** A short opening program may be conducted where the materials will be officially opened. A certification will be signed by the Testing Center Coordinator and selected proctors to document the proceedings.

15. In case the number of questionnaires sent is not enough, photocopying is **NOT ALLOWED**. Only pre-registered participants shall be allowed to take the test. Thus participating schools must ensure that they successfully accomplished and submitted their online registration MMC Form No. 1 via the MMC Online Portal and that the data encoded online (**MMC Form No. 2**) were submitted on time and accurate.
16. **The Elimination Round should be held simultaneously in all regions nationwide on January 16 & 17, 2020 at 9:00 a.m. As agreed upon by the MMC National Steering Committee, conduct of the contest other than this schedule is not allowed.**
17. The winners of the elimination round should be announced as soon as test papers are corrected and within the date of the competition. In case the results will not be released because of a valid reason (i.e. too many schools joined and the assigned correctors will not be able to finish checking the test papers on time), the Division Math Supervisor should announce the results not later than **January 24, 2020**.
18. Announcement of results of the elimination round should be formalized through the issuance and dissemination of a DepEd Division memorandum circular not later than **January 30, 2020**.
19. Concerned Division Math supervisors are also required to post the results of the elimination round ONLINE via the MMC portal.
20. The school scores of the whole Division per grade shall be ranked from highest to lowest. Please refer to the **MMC Document No. 3 (Contest Mechanics)** Item no. 16 for the guide in computing the total scores for participating schools.

The DepEd Division Math Supervisors shall then upload the name of students per school with their corresponding scores which are qualified to join the Division Finals (**MMC Form No. 3**) **ONLINE** through the **MMC online portal** on or before **January 24, 2019**. Rank	Grade 1 and 2	Grade 3 and 4	Grade 5 to 10
