TECH O'CLOCK DepEd CDO's byte-sized ICT Learning Series

1. In the spirit of continuous innovation in handling the current COVID-19 crisis, DepEd Division of Cagayan de Oro has begun exploring ways and means to prepare its teachers for the "new normal" of handling different learning opportunities. **Tech o'clock: DepEd CDO's byte-sized ICT Learning Series** is a **1-hour session** on different Education Technology topics. Short online classes will be **every Monday, Tuesday, and Wednesday 10:00 – 11:00 o'clock in the morning from April 27 – May 27, 2020 via Google Meet**. This initiative aims to scaffold DepEd CDO teachers with their abrupt integration of technology for teaching and learning. This is one of the Division's initiatives to disaster proof DepEd processes.
2. We recognized that working from home is a challenge since we are in the middle of a pandemic crisis. Thus, **teachers are highly encouraged to join Tech o'clock series, but it is not compulsory**. Attendance will not be checked. School Heads will inform their teachers of the Google Meet meeting code on the day of the learning session. Meeting codes will be given by their respective Public Schools District Supervisors (PSDS). Recorded sessions will be uploaded in the **Tech o'clock virtual classroom** via **Google Classroom** at <https://classroom.google.com/> with class code axv4v5p.
3. Attached is the list of learning sessions. For inquiries, clarifications, and collaborations, please contact Mary Anthony C. Sieras via email at mary.sieras@deped.gov.ph and James Sijo at james.sijo@deped.gov.ph.
4. Immediate and wide dissemination of and compliance with this memorandum are desired.
