- c) To ensure easy access of materials and prompt viewing of the live broadcast on FB to every session, the class adviser of the target participants shall invite, register or enroll the FB name account of their parents/guardians via FB page dedicated to this summer reading camp. The FB name will be announced in a separate memo. *Please accomplish the column requiring the FB account of parents mentioned in item 3.a.*
- d) School Heads shall monitor closely their identified teachers with learners under this summer reading program initiative by using all possible means in applying the skills and strategies learned from the FB session with lots of practice-with and without teacher support and feedback.
