Dear Dr. Limbaco,

Greetings of peace from SaferKidsPH!

Online sexual abuse and exploitation of children (OSAEC) is an appalling form of violence against the most vulnerable sector of the population and a transnational issue that affects children from all over the world. To counter this, the Australian Government, in partnership with the consortium of UNICEF, Save the Children Philippines, and the Asia Foundation, will implement the SaferKidsPH program, to protect Filipino children from online sexual abuse and exploitation. It supports the Philippine Government, communities and schools in countering online sexual abuse and exploitation of children. Likewise, SaferKidsPH partners with private sector to promote innovative and sustainable ways to keep children safe online.

The issue on OSAEC requires holistic community support. As a key stakeholder in the community, your contribution to the efforts to develop solutions towards this issue is highly needed. In this light, the Consortium would like to invite your presence and the following persons below on the virtual Baseline Study Presentation on OSAEC through a **Zoom meeting this coming July 02, 2020**. A Zoom meeting link will be sent to you once we get your confirmation to attend.

1. Dr. Cherry Mae L. Limbaco, CESO V – Regional Director
2. Dr. Jean Loquillano – Child Protection Focal, Division of Cagayan de Oro City
3. Mr Dante G Sisto – Principal, Sacred Heart Village Elementary School
4. Mr. Candolyn Quilit – Principal, Pedro N. Roa Integrated School
5. Child Protection Focal or Guidance Counsellor in Sacred Heart Village Elementary School and Pedro N. Roa Integrated School
