Dear Dr Limbaco:

Synergeia Foundation is pleased to invite your Grade 1 to 3 public elementary school teachers to a Write Shop in Reading via zoom conference on 21 July 2020, 8:30 to 11:30 AM. The write shop aims to help teachers do lesson plans and prepare simple creative exercises using the DepEd's most essential learning competencies (MELC). The workshop will be facilitated by Synergeia.

We also request the help of your school heads in organizing parent-leaders, key PTA and SGC officers for a Parents Orientation Workshop on 24 July 2020. To ensure more participation, there will be two batches of workshop, one in the morning and another in the afternoon. The workshop will be jointly facilitated by Synergeia and CDO City School Board.

On behalf of our President and CEO, Dr. Milwida M. Guevara, we wish to continue the partnership with the City Government and Department of Education Division of CDO in improving education.

Thank you very much.

Respectfully yours,

Anna Maria De Leon  
Operations Officer
