Dear Dr. Limbaco,

PHINMA Cagayan de Oro College, with its mission to make the lives of our students and their families better through education, would like to offer educational opportunities to your aspirational Grade 10 and Grade 12 students through our scholarship programs when they move up to senior high and college respectively SY2122. The said scholarships are free of charge, which we can conduct online or onsite, to be included in the module distribution of your respective schools to secure the safety of your students.

With this, we would like to ask for permission from your office to allow us to conduct the above mentioned starting in January 2021.

We are hoping for your positive response to this request. For questions and clarifications, you may reach us through Ms. Angela Labajo at 0906-795-1430.

Thank you and more power!

Sincerely,

  
Michael Tito P. Ubanan
