**Advanced Statistical Analysis using JASP & Jamovi (September 20-22, 2021)**

A three-day workshop via Zoom. An essential goal of this course is to approach data analysis from the perspective of understanding statistics and their relationship to research rather than focus on mathematics or memorizing formulas. The softwares that the participants will use in this workshop are FREEWARES, in other words, these are free and legitimate. JASP and JAMOVI has been in the field of academe for a decade. However, no private organizations are promoting these freeware other than STRATONE.

Course Description: Within this course, participants will study multivariate techniques, data transformation, bootstrapping, including model testing, decision theory, and advanced statistical techniques. The first day of the workshop will serve as a refresher in basic statistics.

Course Objectives:

1. Review the fundamentals of statistics.
2. Learn how and when to use bootstrapping and data transformation.
3. Learn the application of advanced statistics.

Advanced Statistical Analysis using JASP & Jamovi (September 20-22, 2021) -- P3000.00 (per participant). The registration fee includes digital handouts, datasets, installer of the software, digital certificates (of participation, completion, and attendance), recording of the webinar, and the learning experience. Scanned OFFICIAL RECEIPTS will be provided 4 days upon payment.

**To register (copy-paste the link to your web browser):** <<<https://forms.gle/N6Qhca5C7uEGGned6>>>

*Payment details:*

Account Name: **Strategic One Business Management Consultancy Firm**

Account Number: **3831-0043-38**

Bank: **Landbank of the Philippines (Alabang Business Center Branch)**

**Who should attend?**

1. **Government employees who wants to learn basic statistical analysis and those who are interested on JASP and Jamovi.**
2. **Academicians who are doing and teaching research and statistics.**
3. **Private sectors, who wants to know alternative data analysis softwares that are FREE of charge.**
4. **Non-governmental organizations.**
5. **Students (undergraduate and graduate level).**

Thank you, and have a great year!

Regards,
