This Office through the Alternative Learning System Task Force (ATF), in partnership with Solar Entertainment, has initially developed video lessons for the use of Alternative Learning System (ALS) teachers and learners. These video lessons, which will be aired through Solar TV, will enable our ALS teachers and learners to engage in a more quality teaching and learning process that will scale up the ALS program innovations.

In preparation for the forthcoming activity on the Review of Video Lessons for ALS the ATF will conduct an **Online Orientation and Meeting with the Technical Working Group and its Sub-Group** on Wednesday – July 28, 2021 at 2:00 to 3:30 in the afternoon.

The objective of this meeting is to discuss the following:
