**DATE** : 10 November 2021

The Department of Education (DepEd), through ALS Task Force (ALS TF), adopted the ALS Life Skills Self-Directed Learning Modules, developed by USAID Opportunity 2.0 (O2) implemented by the Education Development Center (EDC), as part of the Learning Strand 4 delivery. The implementation started last October 2020.

In order to continuously improve the quality of second-chance education delivery, the ALS TF, in partnership with EDC, will conduct a workshop on the assessment of the implementation of the ALS Life Skills Modules on November 23-26, 2021 in Dusit Thani Hotel, Davao City.

The objectives of the workshop are as follows:

1. Gather information from ALS implementers on the content, utilization, and delivery of ALS Life Skills Self-Directed Learning Modules;
2. Discuss challenges, innovations, and strategies used and experienced by ALS implementers in delivering the modules; and
3. Discuss content, instruction and delivery enhancements for the modules.

In addition to the assessment workshop, a consultation workshop on the pilot implementation of the O2's Work Ready Now! Programs, namely, Be Your Own Boss (BYOB) and Work Based Learning (WBL) will also be conducted with the Regional and Division ALS Focal persons and District ALS Coordinators (DALSCs) as the target participants.

The target participants for the assessment workshop are six (6) mobile teachers and five (5) DALSCs from each of the Schools Division Offices (SDOs): Davao City, Cagayan de Oro City, General Santos City, and Cotabato City.
