Dear Ph. D. Limbaco - Reyes

Greetings from Save the Children!

We do whatever it takes for children – every day and in times of crisis – transforming their lives and the future we share.

Save the Children is an organization fighting for children’s right to a future. We believe that every child deserves a future. In the Philippines and around the world, we work every day to give children a healthy start in life, the opportunity to learn and protection from harm. When crisis strikes, and children are most vulnerable, we are always among the first to respond and the last to leave. We ensure children’s unique needs are met and their voices are heard. We deliver lasting results for millions of children, including those hardest to reach.

The organization is currently implementing the **SaferKidsPH project which is “Enhancing Child Protection System to Keep Filipino Children Safe Online Program”**. This is a 5-year project, and for the first 2 years it will benefit 2 cities, 4 barangays and 4 schools in Mindanao which are Iligan and Cagayan de Oro City.

As a strategy to attain an enhanced child protection system in partner communities, we have developed 2 - day set of trainings to address the gaps and to capacitate our partners further. In this regard, we would like to invite school focal to attain this trainings the following topics.

1. **Recap on laws, terms and definition on Child Protection** – Balaod Mindanaw
2. **Child Sensitive Inquest** – RACU X
3. **Rescue Protocol** – RACU X
4. **OSAEC and how to handle reports / disclosures of child abuse and exploitation** - RIACAT Secretariat
5. **Referral Algorithm** - DSWD
6. **Case Management Method and Case Analysis** - DSWD
7. **Parental Capability Report (PCAR)**- DSWD (SWAD Officer - Team)
