Dear Dr. Limbaco Reyes:

September 5, 2022

CHERRY MAE L. REYES, PhD, CESO V

Schools Division Superintendent

Department of Education – CDO Division

Dear Dr. Reyes:

Maayong Adlaw!

Last July 14, 2022, our office sent an invitation to your good office to participate in the Innovations in Technology Education Convention 2022 (iTEC 2022) which was initially scheduled on August 18-19, 2022. Due to unavailability of venue and the mandate from DepEd Central Office (Memo dated August 22, 2022), we have rescheduled the holding of iTEC 2022 to October 8, 2022 at the Performing Arts Theater (PAT), USTP CDO. In this way, regular classes will not be affected due to the attendance of significant number of teacher-participants.

We would like to reiterate that the *registration is free and meals will be provided* for the whole duration of the convention. I would also like to request that the participants that will be sent (a) are *teaching science/math in the secondary level*, (b) are *those who have high potential in adopting the educational technologies in their respective classrooms*, (c) *have possess an average digital literacy*, (d) *are attending the whole duration of the convention*. These requirements are set to maximize the opportunity and outcome of the convention.

In addition, we would like to request the participants to register ahead thru the link: <https://forms.gle/eXLC5Mxd9jxUEqBf6>. Similarly, the program is attached for your perusal. Thank you very much and I'm looking forward to your positive response to this invitation.

Respectfully,

Dr. Maria Teresa M. Fajardo
