REGIONAL MEMORANDUM

No. 101, s. 2021

**IMPLEMENTATION OF CURRICULUM MANAGEMENT SUPPORT SYSTEM
IN LIGHT OF THE BASIC EDUCATION LEARNING CONTINUITY PLAN**

To: Schools Division Superintendents
All Others Concerned

1. Regarding DepEd Order No. 31, s. 2020 on the **Interim Policy Guidelines for Assessment and Grading in Light of the Basic Education Learning Continuity Plan**, schools must adopt assessment and grading practices that can most meaningfully support student development and respond to varied contexts at this time.
2. With the continuing threats of the COVID-19 pandemic and the unprecedented challenges to education, teachers and parents must adapt to alternative learning modalities to ensure that learners achieve essential curricular goals.
3. Hence, the Regional Office (RO), through the Curriculum Learning and Management Division (CLMD), initiated the **Curriculum Management Support System (CMSS)**. CMSS is an online monitoring of schools' compliance with DO 31, s. 2020 and of the learners' performance per quarter for all the learning areas from Kindergarten to Senior High School.
4. As provided in DO 8, s. 2015, assessment should be used to inform and improve classroom practices and promote learning outcomes. In distance or blended learning environments like what are implemented during this pandemic, schools should utilize alternative tools and strategies for effective assessment, appropriate learning support, and timely feedback.

5. CMSS will serve as a monitoring and evaluation tool to supervise the implementation of DO 31, s. 2020 and DO 15, s. 2015 to schools monitored every quarter by the program holders, PSDSs, and school heads. The RO and SDOs will jointly monitor the compliance of schools with the said system.
6. The schools, with the assistance of the SDOs, are required to input the learners' performance in all the subject areas from regular to special curricular programs implemented in each school two weeks after the end of the quarter.
7. The quarterly inputting of the learners' performance shall be utilized in the conduct of school, district, divisional, and regional monitoring and evaluation adjustment.
8. Attached are the guidelines in implementing the CMSS.
9. Video tutorial on how to access and input data in the CMSS Web site can be accessed via the link <http://bit.ly/rox-cmsstutorial>.
10. Immediate and wide dissemination of this Memorandum is desired.
