*Cherry Mae Limbaco-Reyes,
Schools Division Superintendent
Division of Cagayan de Oro City*

e-Education is a partner of the Division of Cagayan de Oro for around a decade now. Collaborating on the improvement of education and specially helping the marginalize learners with the OHSP. We are currently having an international partnership with NTT Communication CSR on Project Beyond to identified pilot schools who had received gadgets to support distant learning amidst the challenging situation in education delivery. This is in accordance to UN Sustainable Development Goals (SDG), especially in improving quality education for all.

In this connection, would like to request for your approval for an Orientation including attendance of project partners to pilot schools. We would like to request further to conduct feasibility study and survey during a two week period after the orientation, using DepEd MELCs and lessons as delivered by teachers utilizing Bichronous classes to our pilot schools. The orientation will be conducted on March 17, 2022 through zoom details to be announced later, before the actual schedule of the event. The Implementation phase for feasibility study will be a week after, in a two week observation online and enhancement activities and support with teachers.

Also specifically, we would like to invite your presence, Mr Romeo Aclo, Aclo San, the school principals, school IT coordinators and teachers coordinators of the Bichronous classes in the identified pilot schools.

Attached is the project outline/activity for your perusal. (Annex A)

Thank you and More power. Arigato Guzaimazo

Very truly yours,
Takeru Sakai

Vice President, e-Education, Japan
