SUBJECT : Submission of Learning Resources Inventory Forms for
School Year 2021-2022

DATE : March 07, 2022

We express our appreciation for the provision of information on Self-Learning Modules, Learning Activity Sheets, and Contextualized Learning Resources for SY 2020-2021.

In continuing the implementation of the Basic Education Learning Continuity Plan (BE-LCP), all governance levels must be committed to efficiently and effectively monitor the implementation of the BE-LCP particularly the provision and utilization of the learning resources. Learning Resources (LRs) Inventory Forms will still be used to gather relevant information that will guide policymakers on policy and operational concerns related to the implementation of BE LCP.

Given this, the DepEd ROs, SDOs, and schools must ensure compliance with pertinent rules in receiving, inspecting, keeping, and safeguarding learning resources to ensure that LRs are duly accounted for and maintained for booking up and inventory.

To account for the current situation of learning resources printed and delivered for SY 2021-2022, assigned personnel (**See Annex C**) shall gather accurate data to accomplish the Regional and Division Consolidated LR Inventory Report Forms to identify LR provision gaps and requirements needed for SY 2022-2023. Please note that only Regional and Division LR Supervisors and Supply Officers shall request for an access of links (**See Annex A**). They shall also accomplish the LR Inventory Directory Form (<https://tinyurl.com/LR-Inventory-Directory>) to document the members involved in the completion of the LR Inventory Report Forms for SY 2021-2022 on or before March 18, 2022.

The reporting and submission of the LR Inventory Reports shall be spearheaded by the Curriculum Learning and Management Division (CLMD) Chief and Regional Education Program Supervisor in charge of the LRMS. Please see attached **Annex B** for the **LR Inventory Process Flow** and **Annex C** for the **Terms of Responsibilities**.

The official submission of the accomplished Regional LR Inventory Summary Reports must be done via online using the links in Annex A and must be signed by the personnel reflected in the said forms. The Bureau of Learning Resources will communicate to the person in charge of the LR Inventory Reports as to the status of the Regional and Division LR Inventory Reports. Please refer to **Annex D** for the **Schedule of Submission**.

If you have any concerns or clarifications regarding LR Inventory Forms, please email blr.lrinventory@gmail.com.

For information and appropriate action.
