**Dr. Arturo B. Bayocot, CESO III**  
Regional Director  
Department of Education 10  
Region X, Northern Mindanao

**Dear Dr. Bayocot:**

Greetings from the Department of Information and Communications Technology!

The Digital Teachers and Learners Project (DTLP) of the ICT Literacy and Competency Development Bureau (ILCDB) aims to build and transform the digital competencies of Filipino teachers through Information and Communication Technologies.

In response to the demands of the New Normal in education, the ILCDB of the Department of Information and Communications Technology (DICT) will be having a 3-hour webinar on **Spot The Red Flag: Basics Of Fact-checking on July 5, 2022 at 9:00 AM via Zoom.**

This webinar is intended for teachers under the following division: (1) Cagayan de Oro City, (2) Misamis Oriental, (3) Camiguin, (4) Gingoog City, (5) El Salvador City, and (6) Iligan City. May we request for your support in this activity by sharing the registration link and allowing our teachers to join this webinar. **Each division can register up to a maximum of 12 teachers for this webinar.** Link to the registration is found here <https://forms.gle/MWU5nr9qvvk2qZ616>.

The free online training hopes to empower teachers, non-teaching staff of schools and the students to progress beyond the course expectations, it also encourages them to explore and learn ahead of the curriculum in a way that makes learning functional, relevant to today's growing inclusion of technology, and fun; and at the same time to promote the advancement of digital education in the Philippines.

For questions on the activities, you may contact **Engr. Rosemarie G. Emano** at **09274973563** or you may email our support team at **ilcdb.r10@dict.gov.ph**.

Sincerely yours,

**ENGR. AURELLANO V. VICERRA JR.**
