DR. CHERRY MAE LIMBACO-REYES, CESO VI
Schools Division Superintendent
Department of Education
Cagayan de Oro City

Dear Dr. Limbaco-Reyes;

Greetings!

For what is deemed to be a preparation for a brighter future, the City Government desires to further strengthen the college/university level education in Cagayan de Oro City which is the educational hub of the region through the establishment of a CITY COLLEGE. The vision is not only to address the needs of many underprivileged youth but also to address needs in various sectors—industries, commercial establishments, government agencies, and more.

For this purpose, the City Government, under the leadership of Mayor Rolando 'Klarex' Uy, has formed a team (Executive Order No. 044 Series of 2022) to conduct a feasibility study on which to anchor the establishment of the above-mentioned CITY COLLEGE.

It is in this connection that we would like to request for your generous support by endorsing the conduct of the *online survey tool: A Feasibility Study for the Proposed City College of Cagayan de Oro* among the public and private schools' learners under DepEd Division of Cagayan de Oro. We believe that these students can provide key inputs that will guide the goals, programs, and features of this higher education institution.

Attached with this letter are the following:
