January 24, 2022

ALICIA E. ANGHAY

Assistant Schools Division Superintendent
OIC to the Office of the Schools Division Superintendent
Cagayan de Oro City

Dear Ms. Anghay,

Greetings!

In the previous years, the Community Improvement Division - Oro Youth Center in partnership with Population Commission X and the Department of Education City Schools Division spearheaded the conduct of the Adolescent Sexuality and Reproductive Health Classes for the junior and senior high schools. This aims to reduce the incidence to teen pregnancy cases, early marriage, pre-marital sex and other non-sexual risky behaviours among our adolescents and youth.

This year's pandemic COVID 19 crisis, the City Government of Cagayan de Oro through the Community Improvement Division-Oro Youth Center initiated a social media platform activity: **TEENsight: an online Adolescence Sexuality and Reproductive Health Insights** to be participated by private secondary junior and senior high schools and the SSG and POPDEV Club leaders of public national high schools in the city. Which generally aims to instill among the youth that they play a vital role in the promotion of the ASRH (Adolescent Sexuality and Reproductive Health).

Furthermore, the intention of this project is to conduct massive IEC (Information Education Campaign) through a digital platform to private and public secondary students and community-based youth on Adolescent Health and Development in promoting the total well-being of our young people and to deliver crucial and critical information on **Mental Health** and in preventing **Teenage Pregnancy** which may hinder our young people in achieving their dreams.

With this, we would like to invite the different public and private high schools in the city to participate in this activity. The schedule for the airing of the episode will be on February 21 2022 at 10 am via FACEBOOK LIVE. In which of it is the pre-test and post-test POPDEV QUIZ Competition (see attached file for the mechanics).

We strongly believe that through this period, we would be able to intensify and inculcate among the students their significant role in our shared campaign for healthy young Kagay-anons.

Thank you so much for your great support in our programs and services!

In service,

MICHAEL L. ABROGAR
Population Program Officer I
AHD Coordinator
