Dear Ma'am, Limbaco - Reyes,

Greetings of peace from SaferKidsPH!

SaferKidsPH, as Australian Government initiative, is delivered through the pioneering consortium of Save the Children Philippines, The Asia Foundation and UNICEF to reduce the online sexual abuse and exploitation of children in the Philippines. As part of our interventions to make communities aware about OSAEC and how to keep themselves, especially children, safe online, we have developed IEC materials for this purpose. The IEC packages complement the results based on the survey conducted by the team last year with hopes in addressing a range of child protection concerns and behavioural barriers in the target areas.

In line with the upcoming distribution of the materials in our respective areas, the team proposed an orientation to discuss the preparation, safety and security, how to secure files and risk management plan. Hence, the team would like to warmly invite four (4) of your focal persons to attend the **IEC Distribution Orientation on Friday, February 18, 2022, 8:00 AM-5:30 PM at N Hotel, Kauswagan Highway Cagayan de Oro.**

Please see attached copy of program and location map.

For coordination and confirmation of your schedule interview and for queries and other arrangements, please contact our Community Project Officer, Miss Juvy C. Naguita at 09051450041 or email at philislandkids@gmail.com.

We appreciate your full support and action towards the fight against OSAEC.

Sincerely yours,

Virgelia V. Demata
