Schools Division Superintendent
Cagayan de Oro City

Madame:

March is Rabies awareness month, this year's theme is "Rabies free na pusa't aso, kaligtasan ng pamilyang Pilipino". Information and Education Campaign (IEC) on Rabies is one of the very important tools in controlling Rabies and is also mandated by the Republic Act 9482, an Act for the Control and Elimination of Human and Animal Rabies and implemented by the DA and the DOH. Most of the victims of dog bites (Rabies) are the school children. While African Swine Fever and Bird Flu (Avian Influenza) is globally alarming and everyone should be aware of preventive measures imposed by the government.

In this connection, the City Veterinary Office will conduct a short lecture and film showing on **Rabies, African Swine Fever (ASF) and Bird Flu (Avian Influenza)** to **grade six** students of the city division every Monday and Wednesday at 2 o'clock in the afternoon. We will commence on March 8, 2023 and will end on May 22, 2023.

Attached herewith is the schedule of activities on IEC of Rabies, ASF and Bird Flu this school year 2022 - 2023 for your perusal.

We are hoping for your preferential attention and approval.

Very truly yours,

DR. PERLA T. ASIS, DM
City Veterinarian
