**Dear Ms Cherry:**

The Mathematics Trainers' Guild (MTG), Philippines supports the thrusts of the Department of Education in promoting excellence in mathematics education among the Filipino youths in the public elementary and high school levels. Our projects and programs have been aligned to the goals of the department since we also dream that every Filipino will be proficient in mathematics in the K to 12 Program.

In view thereof, the Mathematics Trainers' Guild (MTG), Philippines will be giving 120 FREE slots to deserving public school students per district to participate in the ONLINE 2023 International Kangaroo Math Competition – (IKMC) Philippines scheduled on Saturday, March 18, 2023.

The breakdown of the **120 FREE** slots for students currently enrolled for School Year 2022-2023 is as follows: For every public in your district will be allotted with **10 slots** for every grade level from **grades 1 to 12**.

The IKMC – Philippines aim to:

- Encourage students to master their mathematical knowledge and skills.
- Give them confidence in their ability to understand mathematics.
- Help them recognize how to apply mathematics in their daily life activities.
- Develop their ability to derive pleasure and satisfaction through intellectual life.
- Show that mathematical education is significant in every part of the world.

The entrants recommended by their principal must indicate their **names, grade levels and individual email address** of the participants using the Gmail account. The deadline of submission of entries is on Monday, **March 03, 2023**. We can be very accessible through **Mr. JEROME SALAZAR** at this mobile no. 09617854694 or at his email address [jerome.salazar@rocketmail.com](mailto:jerome.salazar@rocketmail.com). Attached is the brochure of 2023 International Kangaroo Math Competition – (IKMC) Philippines for your perusal.

Thank you very much.

Very truly yours,
