Subject: Invitation for Partnership for TalenTrail
A Career Guidance Program for Senior High School

Dear Dr. Gazo,

Good day!

I am writing on behalf of the Andam Higala Inc. to express our interest in establishing a partnership with the Department of Education-Division of Cagayan de Oro. We seek to enhance the experience and readiness of SHS students from rural communities through the **TalenTrail Program**, a career exploration and capacity development program from April 25-30, 2024 that aims to expand the career awareness, develop essential skills, and facilitate practical application through a community project in line with their aspired careers that contribute to economic growth. This collaborative project is funded by Young Southeast Asian Leaders Initiative (YSEALI) Seeds for the Future Program which supports innovative initiatives in Southeast Asia and is supported by the US Embassy.

Recognizing the importance of career guidance in shaping the trajectory of students' futures, we believe that integrating TalenTrail's expertise in student's holistic experience will greatly benefit as it provides comprehensive career guidance services. It is multi-dimensional and strategically designed to address the various facets of career development:

- **Day 1:** Launching and Career Path Exploration
- **Day 2:** Initial Research and Planning
- **Day 3:** Career Exploration Fair
- **Day 4:** Skills Development
- **Day 5:** Project Showcase and Program Conclusion

We look forward to the opportunity to further discuss the details of this partnership and explore how we can work together to enhance the experience for all recipients. Please feel free to contact me at 0906747292 or email info@andamhigala.org.

Thank you for considering this proposal.
