COPE UP CARAVAN 2024

COPE UP is a non-profit, non-partisan, and non-sectarian mental health organization based at the UP Diliman. COPE UP will be holding COPE Caravan, which features a series of events forwarding the organization's advocacies as well as providing students with healthier ways to cope with stresses of life.

One of the events will be an infographic-making competition, which aims to provide an avenue for the secondary students to unleash their creativity while writing and researching a relevant topic in line with the organization's advocacy of mental health awareness.

All Public Secondary Schools are encouraged to participate in the said activity.

Attached is the letter from COPE Caravan.

April 11, 2024

Greetings from COPE UP!

COPE UP is a non-profit, non-partisan, and non-sectarian mental health organization based at the University of the Philippines Diliman. As the premier mental health organization in the university, COPE UP's advocacies include raising mental health awareness, destigmatizing mental illnesses, and providing a sound environment for individuals experiencing mental health disorders, problems, and other mental health-related challenges. Since 2017, the organization has conducted educational discussions and has promoted creative content that is in line with its advocacies toward building a mentally healthy country.

This semester, COPE UP will be holding **COPE Caravan**, which features a series of events forwarding the organization's advocacies as well as providing students with healthier ways to cope with the stresses of life. Going by the title ***Embracing Diversity, Fostering A Community: A Bridge to Mental Health Inclusivity***, the month-long celebration aims to highlight the importance of bridging the gap in access to mental health services, especially with the Filipino communities through a series of events ranging from competitions, advocacy booths, roundtable discussion, and other exciting and informative activities.

One of the events will be an **infographic-making competition**, which aims to provide an avenue for senior high school students to unleash their creativity while writing and researching a relevant topic in line with the organization's advocacy of mental health awareness. Not only will the students have the opportunity to apply their talents and skills within contemporary social contexts, but they will also have the chance to win cash prizes, along with other tentative incentives.

In line with this, COPE UP humbly requests your office to grant an issuance of a **DepEd Division Advisory** for immediate information dissemination to the schools within your division. Attached to this email are the following:

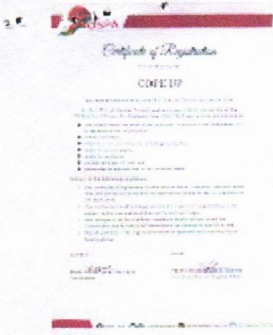

- Certificate of Recognition
- COPE Caravan 2024 Primer
- Cover Letter

Thank you very much and we look forward to your favorable response regarding this matter!

Best regards,

Joshua Klyde R. Ebedo
Communications Subcommittee
