*Enclosure 1 Moving Up Framework*

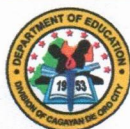

In Quadrant 1, Stakeholders Support, the primary focus lies on fostering collaboration, transparency, and trust-building within the learning community. By actively involving parents, teachers, and other stakeholders in decision-making processes, this quadrant seeks to establish open channels of communication and shared responsibilities, thereby strengthening the collaborative bond between schools and their supporting communities.

Quadrant 2, Classroom Organization, places emphasis on reducing dropout rates and cultivating a sense of belongingness among students. By addressing the factors that contribute to student disengagement and implementing targeted mentorship programs, this quadrant aims to create a positive and inclusive classroom environment. The overarching goal is to provide students with a supportive space that encourages academic persistence and reinforces their connection to the learning community.

National Learning Camp Preparation takes center stage in Quadrant 3, targeting reading literacy, numeracy skills, and values and peace education integration. This quadrant envisions well-structured learning camps designed to engage students in meaningful ways, addressing diverse learning needs and styles. By integrating values and peace education into the curriculum, the framework aims not only to enhance academic skills but also to instill essential life values, contributing to the development of socially responsible citizens.

Quadrant 4, Brigada Eskwela, is dedicated to school preparedness and instilling the bayanihan spirit. This quadrant underscores the importance of community involvement in enhancing school infrastructure and overall preparedness. By fostering a sense of community and shared responsibility, this quadrant encourages collaborative efforts towards the improvement of school facilities, thereby creating an environment conducive to effective teaching and learning. Together, these four quadrants form a cohesive framework that addresses various dimensions of educational development, ensuring a well-rounded and sustainable approach to enhancing the overall learning experience.

## Enclosure 2 Moving Up Phases

### Phase 2

#### Assessment and Individualized Learning Plans

At the onset of the program, each student undergoes a comprehensive assessment to gauge their academic, social, and emotional readiness. Based on assessment results, individualized learning plans are crafted, highlighting areas of strength and identifying areas that may need additional focus. Teachers collaborate with students and parents to set personalized goals and strategies for optimal yearly advancement.

### Phase 3

#### Holistic Skill Development Workshops

It integrates workshops focusing on holistic skill development, including critical thinking, communication, collaboration, and emotional intelligence. These workshops are designed to supplement traditional curriculum learning and ensure students are equipped with essential life skills for their academic journey.

### Phase 4

#### Mentorship and Guidance Program

Each student is paired with a mentor who provides ongoing support, guidance, and encouragement throughout the program. Mentors work closely with students to address individual challenges, offer academic advice, and foster a positive mindset conducive to growth.

1. In line with the commitment of the Department of Education (DepEd) articulated in the MATATAG Agenda to “**TA**ke good care of learners by promoting learner well-being, inclusive education, and a positive learning environment,” this Department places the highest priority on ensuring the health, safety, and well-being of learners and teachers.
2. To ensure that this commitment is fulfilled, DepEd recognizes the clamor to gradually revert the school calendar to the pre-pandemic opening of classes. Alongside the resounding consensus from extensive consultations with teachers, learners, and relevant stakeholders, the same call is echoed by the findings of the study conducted by the Philippine Normal University (PNU) titled Analysis of the Basic Education School Year Calendar in the Philippines: Inputs to Policy (PNU, 2023).
3. In light of these considerations, the provisions of Part V of Enclosure No. 1 of DepEd Order (DO) No. 022, s. 2023 titled Implementing Guidelines on the School Calendar and Activities of School Year (SY) 2023–2024, specifically nos. 7, 26, and 28, shall be amended as follows:

5. Enclosed is the **Monthly School Calendar of Activities for School Year 2023–2024** which indicates the activities and their corresponding dates of implementation or administration.

6. The following are additional provisions of the school calendar to be implemented in the SY 2023–2024:

- **National Learning Camp (NLC).** The NLC shall continue to be implemented following DO 14, s. 2023<sup>1</sup>. However, due to the adjustment of the school calendar for SY 2023-2024, activities in the Consolidation and Intervention Camps shall be conducted within **three weeks instead of five weeks** during the SY 2023–2024 EOSY break from **July 1 to 19, 2024**. Services of teachers in the NLC shall be voluntary.
- **Centrally Managed Co-Curricular Activities.** All Central Office-managed co-curricular activities shall be scheduled within the EOSY break with the following specific dates:

7. No voluntary or mandatory tasks or activities shall be assigned to teachers from June 1 to 30, 2024.
