Dear Sir,

Isang Makakalikasang Pagbati!

Every year on April 22nd, people throughout the world observe Earth Day as a way to show support for environmental conservation. Earth Day urges people to take action to safeguard the environment and serves as a reminder of the value of environmental stewardship. Activities like planting trees, organizing cleanup efforts, holding educational seminars, and pushing for legislative changes to address environmental challenges are all popular on Earth Day.

The Local Government of Cagayan de Oro is celebrating Earth Day 2024 this year through CLENRO, in collaboration with **KUSGAN VOLUNTEER INC.** and the **WE CAN CAGAYAN DE ORO CITY MOVEMENT**. The *We CAN CDO Movement* is a multi-sectoral environmental advocacy group essential for promoting sustainable development for the benefit of both present and future generations, activating collective action, and influencing policy changes. They aim to address complex environmental issues by leveraging diverse expertise, resources, and perspectives to create meaningful impact and drive positive change.

With this, we would like to request our Secondary Public Schools students to join the coastal clean-up drive activity on April 20, 2024; 5:30 AM at Barangay Lapasan, Barangay Gusa, Barangay Bonbon, Barangay Bulua this City.

For queries and clarification, you may contact Mr. August Paul M. Bacarrisas through 0932-280-5130.

Thank you for your participation and continued support on this matter.

Very truly yours,
